Making your *Bathroom*
Dreams Come True.

COMPANY PROFILE

- Established in the year 1995, we, Gurukrupa sales , is leading manufacturer exporters and suppliers of CP Bathroom Fittings and accessories under the brand name GKS. Our State-of-the-art integrated production facilities located in Virva (rajkot), Gujarat are well supported by a professional designing team with professional employee. "We Believes in Producing premium Quality Bath Fittings" Our factory has set up a sophisticated and modern infrastructure and we have 1 Manufacturing units in virva and out late unit in vavdi that help us in offering bulk order in time. Apart from these, we have a large and capacious warehouse that keep and store all the finished products in a Systematic and organized manner

WARRANTY TERMS & CONDITION

- GKS Warranty is against manufacturing defect & Cartridge on limited faucets series for 7 years for residential installation & 3 years for commercial installation.
- GKS don't provide plumber service to end users.
- The warranty is for manufacturing defects and it's not applicable on washer, rubber. spring, Hose pipe & other plastic items.
- in case of any dispute this warranty is subjected to jurisdiction of Rajkot courts only.
- Pictures shown are for illustration purpose only actual product may vary due to product enhancement.
- GKS uses world class quality ceramic cartridge, which is with quality guarantee through 100% water tightness tested under water pressure.
- The rigidity of the cartridge is high, even under using condition with unstable water pressure, performing life 500000 (5 Lakh) operating times for Higher Longevity.
- All the metal parts of the internal cartridge are made of brass rod ensuring flawless performance for along period. (All condition applied on < 400 TDS)

DESIGN QUALITY

- GKS is committed to excellent quality, design and innovation. For that we applied modern technology and skilled manpower to produce and excellent product. At GKS, we believe that quality is a paramount in order to create value and achieve customer satisfaction. Our State-of-the-art integrated manufacturing facilities, integrated with highly advanced technology for making world class products.

CHROME FINISH

- Upper shiny protection layer provide a mirror finish to every faucets High plating thickness provide tolerance to extreme climate and water condition. Salt spray test ensure our finishers durable and corrosion resistant. High plating thickness (Nickel 8-10 micron & chrome 0.2-0.3 micron) provides tolerance to extreme climate and water conditions for Higher Durability

AERATOR

- Aerators Integrated with honeycomb structure give protection from lime buildup and provide soft flow of water. We use NEOPERL aerator in our faucet, which is made from Germany.
